

## The instructions to be respected in the library

- Wearing a mask is compulsory

- Disinfect your hands with the hand sanitizer provided at the entrance and on the tables:

On entering the library  
Before and after consulting documents  
After using the computer area

- Disinfect workspaces:

The tables  
The computer area (keyboard, computer mouse, scanner, printer)

- Respect 1 m distance between you and others:

In front of the desk  
In the room

- Do not sit in the marked places and do not move the furniture

**NB:** All returned documents (books, magazines, DVD and DVD players) are placed in “quarantine” for 4 days.

The Library Team may ask you to leave if the rules are not followed

Thank you for your understanding
