

Centrale Nantes Campus

- A** Ground Floor: Reception - Student Affairs - International Relations - Lecture theatre A - HALL A
1st Floor: Director's Office - Head of General Administration - Academic Affairs - Research Department - Boardroom
Underground: Communication Department - Development Department - Centrale Nantes Alumni
- B** Ground Floor: Classrooms - Infirmary
1st Floor: Classrooms - Computer rooms - Industrial Study Projects Office (PEI) - Virtual Reality platform
- C** Ground/1st floors: Classrooms - Multimedia rooms
- D** Ground Floor: IT Department - Risk Prevention and Technical Support - Estates Office
1st Floor: Fluid Mechanics, Energetics, Automatic Control and Robotics labs
Supercomputer
2nd Floor: LHEEA - Research Laboratory in Hydrodynamics, Energetics and Atmospheric Environment > Research groups: Marine and Ocean Energy; Hydrodynamics, Interfaces and Interactions
Accounting office
- E** Ground Floor: Lecture Theatre E - Cafeteria
1st Floor: Computer Science and Mathematics Department
Human Resources Department, General Administration
Centrale Audencia ensa Nantes Business Incubator
- F** Ground Floor: IT rooms - Mechanics Materials and Civil Engineering labs
1st Floor: GeM - Research Institute in Civil and Mechanical Engineering > Structures and Materials
Research group: Materials, Environment, Structures; Modeling and Simulation
- G** LHEEA > Ocean test facilities
- H** LHEEA > research group: Thermodynamics of Motor Systems - Engine test benches
GeM > Rapid Manufacturing Platform
- I** Mechanical Production workshop / RFI Platform
GeM > Electromagnetic forming and welding platform. High Power Pulsed (HPP)
- J** GeM - Structural testing floor
Technical workshop - Goods reception
- L** Ground Floor: Lecture theatre L - HALL L - Gymnasium - Library - Student Association Office - Reception room
1st Floor: Social Sciences, Modern Languages and Sports Department
- M** Local archives
- N** LHEEA > Research groups: Thermodynamics of Motor Systems, Dynamics of the Coastal Urban Atmosphere
Fluid Mechanics and Energetics Department
- O** GeM > Dynamic and Static Test Centre
- P** Product Design and Industrial Systems Department - Automatic Control and Robotics labs
- R** Student Common Rooms
- S** LS2N - Laboratory of Digital Sciences of Nantes - Automatic and Robotic Department
Lecture Theatre S - HALL S
- T** GeM - Materials and Manufacturing
CERMA/IRSTV Research group - High Performance Computing Institute (ICI)
Centrale Audencia ensa Nantes Business Incubator
- U** Multisport facility - DOJO - Squash courts
- Halls of Residence
- IM3** Hosted startups: Calligée / LEDIXIS / NEXTFLOW - SOFTWARE - INNOSEA
MAURIC Office / D-ice ENGINEERING
